10                   PLAINTIFF'S MOTION FOR LEAVE TO FILE REPLY AND MOL TO  
11                   DEFENDANT'S OBJECTION TO MOTION FOR RECONSIDERATION

12  
13                   Plaintiff, pursuant to Local Rule 7.1(e) (2), moves, for leave  
14                   to file a reply and MOL to Defendant's Objection to the Motion for  
15                   Reconsideration [Doc. 38-39]. As grounds for this Motion,  
16                   Plaintiff states as follows:

17                   1. On July 22, 2020, Plaintiff filed a Motion for  
18                   Reconsideration [Doc. 38-39].

19                   2. On August 4, 2020, Defendant filed his Objection [Doc.  
20                   43].

21                   3. Plaintiff believes his brief reply and memorandum,  
22                   attached hereto as Exhibit A, will assist the Court in determining  
23                   the issues raised in Defendant's Objection [Doc. 43] and that it  
24                   is important that the Plaintiff have the opportunity to respond to  
25                   the absurd notion that Pro Hac Vice attorneys are required to sign  
26                   pleadings presented to this Court and that an appearance and notice  
27                   to the Plaintiff is the only or minimum bar required to satisfy an  
28                   appearance in response to a Summons.

29           4. Plaintiff, sought Defendant's concurrence to the relief  
30 sought through this motion, but Defendant has not grant such  
31 concurrence.

32

33 WHEREFORE, the Plaintiff, respectfully requests that this  
34 Honorable Court:

35 A. Enter an order granting Plaintiff leave to file its reply  
36 memorandum, in the form attached hereto as Exhibit A; and

37           B. Grant such other and further relief as the Court deems  
38 just.

40 | Respectfully,
